To the people of God at Our Redeemer,

The month of April is divided between the Lenten and Easter seasons, as Easter falls on the 16th. So we will continue our Lenten journey and celebrate Holy Week during the first half of the month, anxiously awaiting the joy of the Easter Season. Then we will have three Sundays of Easter before the month comes to a close. Within the celebration of the milestone events of Christ's life, we have some milestone events of our own here at Our Redeemer. Sunday, April 9 is Palm Sunday. Not only will we be waving palm branches and singing "Hosanna in the highest", but that will once again be Confirmation Day. To see those young children of God confess the faith of their Baptism always makes for a great day.

Another great day in the lives of our confirmands will happen on Sunday, April 2. As we do each year, the confirmands participate in a public questioning. We will gather at 5:30 PM for questioning followed by a meal around 6:00 PM. The confirmands, their families, and all the new members received in the past year will be our honored guests. All the family of Our Redeemer is invited to come, support, and welcome our newest members.

Please sign up on the sheet in the narthex if you plan to attend so that we can have a reasonable idea of how much food to prepare. We do not expect the families of the confirmands or the new members to bring a side dish, but everyone else is asked to bring a side or dessert.

I encourage everyone to take full advantage of the many opportunities this month to celebrate all that Christ has done for us in bearing the burden of our sin and conquering sin and death so that we can live for all eternity. The joy of Easter is always the focal point of everything that we do. But I also encourage you to come celebrate with our youth as they confirm the faith of their Baptism and we as a church recognize this milestone in their life and rejoice that the Holy Spirit continues to bless His church and cause the Gospel to be heard.

In Christ,

Pastor Eden

The Widow's Mite---

And a poor widow came and put in two small copper coins, which make a penny. And he called his disciples to him and said to them, "Truly, I say to you, this poor widow has put in more than all those who are contributing to the offering box. For they all contributed out of their abundance, but she out of her poverty has put in everything she had, all she had to live on." **Mark 12:42-44 ESV**

April News

ORLC St. James School Tuition Endowment Fund

As reported at the January 22nd Voter's Assembly Meeting, the endowment fund was officially open for business on November 20, 2016 when the Voters approved the By Laws of the Fund. We started receiving donations immediately and we now have a total of \$23,000.00 invested with the LCMS Foundation.

We continue to welcome donations to this endowment fund as we endeavor to provide tuition assistance to children of our members who attend St. James Lutheran School in the future. The committee will be moving in other fazes of securing contributions very soon.

This fund is separate from the funds of ORLC and we ask that contribution checks be made out to the endowment fund.

If you have any questions or are willing to help with the various fundraising activities, please contact one of the committee members.

Angry words fly. A misunderstanding turns into accusations. A reputation is ruined by unfounded rumors. It's only a matter of time until everyone experiences some kind of hurt.

Sometimes the offense is accidental. Other times the attack is a deliberate aim to inflict pain. The end result is the same. A relationship is shattered, and we face hard choices. Do we seek revenge? Do we ignore it? Or do we take a radical approach and forgive the offender, even if that person never admits having done anything wrong?

Forgiveness doesn't come naturally. We like to hold grudges. Our natural desire is to defend ourselves and at least make sure others know we suffered wrongfully.

Research has shown that an unforgiving attitude affects our overall mental and physical health. Harboring resentment and bitterness toward the perpetrator hurts us far more than it hurts him or her. It is *our* blood pressure that is raised, *our* immune system that is weakened and *our* stress hormones that are depleted.

Forgiveness doesn't mean we forget the incident or consequences are erased. What forgiveness does mean is that we choose to release our personal need to "get even." We identify and acknowledge our feelings of insult, attempt to view the situation through the other person's eyes and make a conscious decision not to retaliate.

Sound simple? No way. When a bone is broken, it takes time to mend, and it must be protected during the healing process. The same is true for a broken relationship. As we gradually "move on," choosing intentionally to not let that person or event negatively impact our lives, we can also look to family and friends for support. The healing can take awhile, but the emotional, physical and mental restoration are well worth the effort.
