To the people of God at Our Redeemer,

October 31 marks the 500th Anniversary of Martin Luther, a professor at the University of Wittenberg, nailing to the Wittenberg church door 95 proposals for debate (The 95 Theses) because he questioned the church's practice of selling indulgences, which were pieces of paper claiming to offer the owner of that paper complete forgiveness for their sins. This event is recognized as the beginning of the Reformation.

In recognition of this major milestone in the life of the church, we will be joining together with the other churches in our circuit for a special Reformation service on Sunday, October 29. The service will begin at 3:17 PM (which is 15:17 in military time and Luther posted the 95 Theses in the year 1517). St. James Lutheran Church is hosting the service and there will be a dinner to follow. The members of the three Quincy churches are asked to bring hot dishes and those coming from the outlying areas are asked to bring salads and desserts.

The Reformation of Christ's Church is worthy of our celebration. Luther sought to reform the church because he saw abuses within the church which were contrary to the Word of God. Luther sought to take God and His Word seriously. We are never to "add to or take away from" the clear message of Scripture. The focus of Luther's Reformation was bringing the Word of God to the people. Without the Word of God, we cannot be serious about who God is and Christ's Church would cease to be Christ's Church.

It is in "Scripture Alone" that God permits Himself to be found. It is by God's "Grace Alone" that sins are forgiven and eternal life is offered. It is in "Christ Alone" that we have life and salvation. What we are celebrating this year is Luther's rediscovering of the Gospel. The Gospel of Jesus Christ found in Scripture, creating faith, bestowing grace, offering eternal life to those who trust in this Word of truth is of the utmost importance. As C.S. Lewis wrote, "Christianity, if false, is of no importance, and if true, of infinite importance. The only thing it cannot be is moderately important."

In Christ,
Pastor Eden

The Widow's Mite---

And a poor widow came and put in two small copper coins, which make a penny. And he called his disciples to him and said to them, "Truly, I say to you, this poor widow has put in more than all those who are contributing to the offering box. For they all contributed out of their abundance, but she out of her poverty has put in everything she had, all she had to live on."

ENROLLMENT STILL OPEN! We are still accepting enrollment applications for the current school year. Pass the word! Satisfied customers are our best advertisement for our school. If you are pleased with St. James School, please tell others. If not, please tell Principal Landskroener.

KNOW THE FACTS ABOUT OUR SCHOOL

- St. James has served the Quincy community with quality Christian education for 166 consecutive years.
- The Christian faith is intentionally nurtured and fed to students each day and is integrated throughout the day.
- Our faculty has over 175 years of classroom experience.
- Even though many schools have dropped cursive handwriting and Spelling, we haven't. It's still an important part of our curriculum.

TRUNK OR TREAT – Mark your calendars now! You are invited to come to the parking lot at St. James for Trunk or Treat **Friday, October 27th from 5:30 pm – 7:00 pm** sponsored by the faculty at St. James School. Come dressed in your favorite costume and visit the many different vehicles for a treat. This is a way to help our neighborhood to get to know St. James too! We need many bags of candy for this event. Please bring them to your church office or to the school office. Serving in excess of 300 people last year, we ran out of candy, so we want to make sure we have enough this year. We hope you will come and enjoy some time with us! Tell your neighbors, friends, relatives and enemies! They are all invited!

SUBSTITUTE TEACHERS NEEDED – St. James Lutheran School is compiling a list of substitute teachers for the upcoming school year. If you are interested (or know of someone who might be) please contact Principal Landskroener at 222-8267.

BOXTOPS AND UPC LABELS – Please continue to save General Mills Box Tops, Hy-Vee UPCs and Tyson A+ labels throughout the summer. They help support our school library! Thank you!

ORLC St. James School Tuition Endowment Fund

Don't miss the opportunity to double your contribution to the Endowment Fund due to the **\$5000.00 matching gift challenge**. Please consider your donation to this fund as we continue to prepare for the future of Christian education for our children who attend St. James School. It will be **matched until the end of October**. *Please make checks payable to ORLC St. James School Tuition Endowment Fund.*

So far we have raised \$3,240 in funds – 64.8% of our goal! Thank you for your donations!

LWML wants to thank everyone for another successful Rummage Sale. Thank you for your generous donations which made the sale possible and to all of you who came out to purchase. Another BIG Thank You for everyone who helped set up, mark, and clean up. We are especially grateful to those who don't belong to LWML who so generously gave hours of their time to help. We will again be able to fund many mission projects with over \$2,400. Many people passed thru our church with lots of positive comments and several showing interest and unaware of our location.

Please keep us in mind and save anything you no longer need for the 2018 sale. Items we did not sell were given to other worthy causes – most clothes went to St. John's Clothing Closet along with some men's clothing to the Veterans Home. Books went to Quincy Public Library and The Crossing picked up the remaining miscellaneous items. Thanks again and God's Blessings!

LCFS Clinical Services Family Essentials Kit #5 - Your Family's Kit October 2017

In our discussion of the Family Essentials Kit we covered unconditional love, family routine, trust and patience. We hope that you have found the tools we've presented in prior months useful, and you have added some of these components to your daily life. There are also many other elements you can add to help increase family bonds. But, the kit is less about the items and more about how you use them. Which leads us to this month's final installment:

How to Create Your Own Family Essentials Kit

Decide as a family – Sitting down as a family and coming up with ideas together not only helps each member of the family feel important, but it also shows that everyone is invested in the family unit. Let each member select an item so that they all feel as though they had a part. For young children, try and use their ideas or formulate them to fit in. For instance, if a child says “magic” should be in the kit, then write “spontaneity” or “surprises,” where the primary caregivers come up with random ideas for activities for the kids. Have fun and be creative.

Write down your list and/or create a craft to remind you of your essentials – A great way to be reminded of what you decided and continue making efforts in establishing a routine is to write the list down. Another way is to come up with visual cues such as a craft to remind you of what your family is trying to accomplish. Children love crafts and letting them come up with the ideas for displaying components of your kit will help them think outside the box.

Display your work – If you've decided to write down your list, display it on a door or in the family room. Take time to make the list decorative and easy to read. Consider framing it and hanging it on the wall. If you've created a craft, think about moving it to different spots in your home or keeping different pieces of the craft project in different rooms to serve as reminders and then periodically rotate them.

Creativity is not the finding of a thing, but the making something out of it after it is found.
