

## LIVE AUCTION

One item to note before we begin is the Purse Pass Auction Item. Starting at the beginning of the Live Auction, we will pass around a darling purse from Charming Charlie's. Please consider donating money by adding it to the purse. Later in the evening, the purse and its full contents will be auctioned off to the highest bidder. The money raised from this auction item will help to fund the 6th and 7th grade class trip to Chicago in May. This is a trip that the kids really look forward to at St. James. The cost is approximately \$650 per student and they fundraise throughout the year to be able to attend. This trip alternates with a trip to the Florida Keys so each child gets a chance to go.

L-1 The three year-old preschoolers have been "Busy Bees" decorating a wooden crate and filling it with products made by bees. Whimsically decorated with each child's fingerprints made to look like bees, the crate is filled with beeswax candles, honey, and Burt's Bees beauty products. Each child's name shows prominently so you can remember how little they were. Thanks to Mrs. Amy Buss and to and all the little hands that created this priceless creation!  
Donated by Mrs. Buss' PreK-3 Class

L-2 How to reduce, reuse, and recycle is what our four year-old preschoolers have learned this year. Parent Joe Sharrow built a bench out of scrap wood and then covered seat and back with leftover St. James School bleacher covers. The Pre-K 4 class then decorated the wood by painting flowers and bugs. This endearing project is truly one of a kind and would be beautiful in any yard or garden!  
Donated by Mrs. Foulk's PreK-4 Class

L-3 Don't you just love your kids to the moon & back? The Kindergarten children have created a picture called "Together We Shine Like the Moon & Stars" where each child decorated a star. You'll be "over the moon" if you are the highest bidder on this item!  
Donated by Mrs. Scott's Kindergarten Class

L-4 Our first graders have a lot in common with artist Henri Matisse (1869-1954)! They too love to create and paint bright, colorful and whimsical shapes, lines and form. His dancing figures, darting goldfish, distorted flowers, fauna, fruit and mixed up compositions have inspired these young artist. Their watercolor and mixed media study and interpretation of this Post-Impressionist artist's subject matter will light up your world night and day! Special thanks to art teacher Kay Kayser and the funding provided by The Quincy Society of Fine Arts Art\$Dollar\$ Program.  
Donated by Mrs. Strackeljahn's 1st Grade Class

L-5 While we're now focusing on Lent at school and heading toward Easter, please take a look at the 2nd grade class project. "He is Risen" is a stained, tiled cross art piece on a display board. Each student painted tiles for the cross. Wouldn't this project be a wonderful reminder of Jesus death and resurrection for us?  
Donated by Mrs. Stark's 2nd Grade Class

L-6 You will be truly delighted and inspired by this book of poetry written by the third grade class! This book contains a collection of fun and creative Hinky Pinkies, Limericks, and Haiku poems that are sure to make you smile and add laughter to your day.

Donated by Mrs. Mohr's 3rd Grade Class
