**Reclaiming the Words**

**Rev. Martin Eden**

God is unchanging. His Word is unchanging. Unfortunately, the meanings assigned to words do change. The true meanings of words such as Tolerance and Submit have been given new connotations and have been changed by our culture. We will look at the true meanings of these and other words as they pertain to the Word of God and life in the Church.

**Believe It Your Way?**

**Rev. Mike Grieve**

We know that the surrounding culture, society, world (whatever you want to call it) fully supports individualism in beliefs. Religious pluralism is allowed in our own country's constitution. What happens, however, when people make the claim that Jesus Christ is their personal Savior, and yet, they are not a participant in His body, which is the Church? Can Jesus be separated from the Church He created and redeemed? In and through what, and in and through whom, does our life come?

**God's Gift of Life in a Culture of Death**

**Rev. Hayden**

Medical technology has advanced so rapidly that we are faced with a vast array of options surrounding birth and death. How is the church to respond? It can be difficult when we are faced with decision that weren't even dreamed of when the pages of Scripture were written. We must start with our new life in Christ and use His gracious gifts to help us examine everyday issues of life and death. Together we will examine Biblical principles to help guide us in facing modern issues of technology.
