**The Lutherans for Life** announce a new life-affirming project for Lutheran families in Illinois. Adoption is an expensive endeavor and due to the costs many couples do not consider it as an option for growing their families. We have decided to partner with Lifesong For Orphans ministry to create an adoption fund to be available to LCMS families in Illinois who need financial assistance as they go through the adoption process. We are asking for churches/Lutheran schools of the CID to prayerfully consider helping us financially to build this fund as well. Once the fund has grown to \$8,000, we would open the fund up for LCMS families to use as they go through the adoption process. Families will submit an application for an adoption grant and Lifesong will review the application and give a recommendation of the amount that could be granted to the adoptive family according to their financial needs. A video link with more info about Lifesong for Orphans is: <https://vimeo.com/139492632> (password **lifesong**). Our hope is to make this fund available by the end of 2018. If you have any questions or are interested in helping in this project, contact Valerie Boehne, at 309-210-4747.

**Ongoing Ambassadors for Christ** Travel Team will visit ORLC on **Monday, August 6**. Congregation members are needed for housing on Monday night & canvassing the neighborhood Monday & Tuesday. Please contact Jamie Louderback at (217) 455-3151.
