**CID Endowment Fund** started by investing in CID Church Extension Fund CDs. Approximately five years ago the board started to explore options due to declining interest rates on the CDs held for investment. One of the options was Lutheran Legacy Foundation which offered more diversity of investment and matching funds for a portion of the amount invested there. The board has two investments with Lutheran Legacy Foundation which achieves some diversity of investment. In 2016 the board developed and adopted an Investment Policy Statement to guide further diversification of its investments. In August 2016 the board elected to convert about half of its CDs to a managed equity portfolio at the Illinois National Bank. Today, the investments held by the Endowment Fund consist of Church Extension Fund CDs, Lutheran Legacy Foundation and assets managed by the Illinois National Bank. The assets of the CID Endowment Fund totaled \$881,858 at the end of 2011. Seven years later, at the end of 2018, the assets totaled \$1,175,224. Next month's Endowment Fund paragraphs will discuss historical and current approaches to funding CID scholarships.

**Active Shooter Training Course** will be presented by the Quincy Police Department on Friday April 17, from 8 – 10 AM at Horizons Dining room.
