Gloves, Hats, and Mittens Collection We are going to start collecting socks, hats, mittens, gloves, etc. for the community. All sizes are welcome. We will distribute first to local schools, Quincy Neighborhood Federation, and then local food pantries and mini food pantries as our donations and supplies allow. With the early bouts of cold weather, there has already been a need for these items. The following was shared by a community member during a very cold start to the day.

As I was walking to work today, a little late, I came across two young boys about jr high age. One was standing in the street crying. I asked him if he was ok, he said his hands were so cold. I had a pair of pink gloves on and asked if he would wear those and he readily said yes please. His hands were so cold that he dropped them when I handed them to him. I then put the gloves on his hands and he was just so thankful. I was so thankful that God lead me to leave a little late and to have grabbed those gloves. We just do not know what other people are going through. I have decided to carry a few extra pair of gloves...just in case.

Maybe some will consider carrying some extra gloves with them in order to care for others we might encounter. Maybe some will be able to contribute items for distribution. As the person who wrote this said, we do not know what others are going through. Let us be a good neighbor, and care for others. Sometimes that may be taking off your own gloves to help warm the hands of another.

Items may be left in the collection bin near the south entrance.

2023 Offering Envelopes are now available.

Again, a huge thank you to PTL for organizing a wonderful Spaghetti Supper Fundraiser; the event wouldn't not have been such a success without the time and talents of so many people. Sitting down for meals is so important and I would encourage you to find a few days during the week and schedule family meals. This is a great time to unplug and unwind from the day and a great opportunity to just talk.
