## Sunday Schools Posters from the Past:

Please visit the Sunday School Opening Room to view the vintage Sunday School posters that have been framed for display! (*Maybe you remember them from your youth here at ORLC!*) We wish to thank Chris and Michele Clevenger for completing this project! Chris made beautiful frames for each of the four large posters. Michelle coordinated the project to completion. Many thanks for helping to ensure these items can be viewed and treasured by more generations of Sunday School children.

**Inkjet Cartridge Recycling:** We have had an overflowing response to the ink cartridge recycling project. At the end of the quarter, ORLC will receive a check of which the **funds will be sent to the Uganda Mission!** Each cartridge is examined for its value. Even the ones which they cannot use and refill we will receive 25 cents each for our effort. We will keep you posted once we know the value of the recent shipment. Your combined efforts of simply recycling your inkjet cartridges will result in a larger sum being sent to Uganda. **Here are ways you can help:** 1. Bring your used INKJET cartridges and deposit them in the collection box outside of the church office. *OR* 2. If you prefer to mail your own cartridges (*7 or more*) you can do so by using our **PROGRAM ID: 31683** to request a FREE USPS label to print and mail.

**Town Hall September 27** LCMS is excited to invite you to attend a virtual Synod-wide town hall to kick off Set Apart to Serve (SAS) church work recruitment initiative. **Join us online Wednesday, September 27, from 1 to 2 p.m. Central time.** SAS is a collaborative effort across the Synod to support and encourage future church workers. Our goal is to create an intentional culture of church worker formation in every LCMS congregation, Lutheran school, and camp. We are developing resources and tools to help congregations foster this culture. During the past five and a half months, we have worked with 36 congregations, schools, and camps that represent all 35 LCMS districts to pilot-test these SAS resources and tools. Feedback from the pilot sites has helped us refine these resources, and now we are excited to share these effective toolkits with you. During the town hall, we will: •Provide a brief overview of SAS; •Share what we learned working with the pilot participants; •Introduce resources and tools to help congregations, schools, and camps with raising up the next generation of church workers; and •Provide next steps on how to make SAS work in your congregation. Visit the SAS website to learn more about the initiative. **Dollar for Missions:** It is with exceedingly great joy that CID President Rev. Michael Mohr announces that not only has our current Dollars for Missions Project (*the purchase of a 15-passenger van for University Lutheran Church in Champaign*) been **fully funded**, but July contributions towards Dollars for Missions have been robust enough to fully fund the **next project** on the list – Augment pay for **Prison Ministry at Lincoln and Logan Correctional Centers**. Therefore, our current Dollars for Missions Project is to **raise \$20K** for stipends to pastors to begin visiting four new prisons or jails in 2024. A Dollar for Missions gathers many small gifts – one dollar at a time! – to add up to a big impact for the spread of the saving Gospel of Christ. Our current project is to augment pay for the Prison Ministry to the Lincoln and Logan Correctional Centers. To watch a video about his next project: <https://youtu.be/JcC9nwejYK8>
