## Sunday Schools Posters from the Past:

Please visit the Sunday School Opening Room to view the vintage Sunday School posters that have been framed for display! (*Maybe you remember them from your youth here at ORLC!*) We wish to thank Chris and Michele Clevenger for completing this project! Chris made beautiful frames for each of the four large posters. Michelle coordinated the project to completion. Many thanks for helping to ensure these items can be viewed and treasured by more generations of Sunday School children.

**Inkjet Cartridge Recycling:** We have had an overflowing response to the ink cartridge recycling project. At the end of the quarter, ORLC will receive a check of which the **funds will be sent to the Uganda Mission!** Each cartridge is examined for its value. Even the ones which they cannot use and refill we will receive 25 cents each for our effort. We will keep you posted once we know the value of the recent shipment. Your combined efforts of simply recycling your inkjet cartridges will result in a larger sum being sent to Uganda. **Here are ways you can help:** 1. Bring your used INKJET cartridges and deposit them in the collection box outside of the church office. *OR* 2. If you prefer to mail your own cartridges (*7 or more*) you can do so by using our **PROGRAM ID: 31683** to request a FREE USPS label to print and mail.

## Town Hall September 27

LCMS is excited to invite you to attend a virtual Synod-wide town hall to kick off the Set Apart to Serve (SAS) church work recruitment initiative. **Join us online Wednesday, September 27, from 1 to 2 p.m. Central time.** SAS is a collaborative effort across the Synod to support and encourage future church workers. Our goal is to create an intentional culture of church worker formation in every LCMS congregation, Lutheran school, and camp. We are developing resources and tools to help congregations foster this culture. During the past five and a half months, we have worked with 36 congregations, schools, and camps that represent all 35 LCMS districts to pilot-test these SAS resources and tools. Feedback from the pilot sites has helped us refine these resources, and now we are excited to share these effective toolkits with you. During the town hall, we will: •Provide a brief overview of SAS; •Share what we learned working with the pilot participants; •Introduce resources and tools to help congregations, schools, and camps with raising up the next generation of church workers; and •Provide next steps on how to make SAS work in your congregation. Visit the SAS website to learn more about the initiative. For more information, email us at [setapart2serve@lcms.org](mailto:setapart2serve@lcms.org) or call 888-843-5267. — *Set Apart to Serve Team*

- What a great start to the first full two weeks of school, even with record temperatures! We not only survived but we thrived. Students are getting into a routine and continuing to learning expectations. A regular sleep routine is important for students to get into as good sleep improves your brain performance, mood, and health. As always, please reach out with any questions. God's Blessings, *Mrs. Higgins, Principal*
- Please continue to **save Hy-Vee UPCs and Tyson A+ labels** and place them in the container in the classroom or in the St. James church narthex basket. **Box Tops for Education labels now need to be scanned** and on the BTFE app on your phone. REGISTER St. James Lutheran School on the APP and SCAN your receipt. All these funds help to support the school library. Thank you! *Mrs. Hagemann*
