Save the Date - Parish Professionals are encouraged to put **September 26-28, 2024** on their calendars for the Illinois Parish Professional Retreat at Camp CILCA in the Central Illinois District. The retreat will be led by David Reuter, and focus will be on the topic "**Growing Young**." He will be discussing the six core commitments that research through the Fuller Youth Institute has found in common across congregations who are demographically growing younger. The overarching goal for our time together is to begin the development of a plan to aid the LCMS congregations in the Illinois districts to grow young together through the leadership of, and assistance to, the districts' DCEs. This retreat would be **great for pastors, DCEs, deaconesses, lay youth leaders, or anyone serving their congregation in the area of youth ministry.**

ORLC St. James School Tuition Endowment Fund was created to provide funds to send ORLC children to St. James school, providing a very high-quality academic education firmly grounded in the LCMS faith. With the funds gathered, Central Illinois District started to fund one in January, and hopes to start more before the end of this year. Now in 2024, the project is to gather sufficient money to continue such new work into 2025. The **current target is \$10,000**. See the video at <https://youtu.be/BcyFWxbA-ww>

If you prefer to mail your own cartridges (at least 7) you can do so by using our **PROGRAM ID: 31683** at planetgreenrecycle.com to request a **FREE USPS label** to print and mail.

Message from Redeemer UK (Together In Missions)

Hello to all at Redeemer, Quincy.

Another money gift has been received from all the family at Harlow, with great thankfulnes delight. As I have mentioned before, your financial gift always arrives just when needed most. We had a break in at our dilapitated church house last week and also the window in the office was smashed in an effort to get inside for money. Thankfully no damage or theft apart from the damage sustained, so we now have boarded up the windows until we can get the glass fitted in. So you can see just how we at Redeemer cannot thank you enough for once again keeping us in your thoughts by continually sending us such wonderful and well needed donations to us.

We also are having something exciting going on next week here at church and the local shopping area. We are allowing a film crew to store some of their equipment in our lounge for five days as they film around the area near our church. Sadly I will miss it as am off for a break today, but Jan (treasurer and Pastor George) have been invited to come and be shown all around as they film. The series is being shown on Apple-i-player and is taken from a series of books called Slow Horses. So you can see how fortunate we at Redeemer are despite the vandalism.

We ALL send our love and heartfelt thank you once more for your continuing financial and caring support for our congregation. Praying that all is well with yourself and the congregation in these worrying times. God Bless one and all-as Tiny Tim would say. Regards Pam.
