The **ORLC College Care Package** program has a supply of items to get through the final exam packages that will be sent in Nov/Dec. Thank you for your donations! We would also like to help local students. Until the end of November, items will be collected to donate to the **JWCC Blazer Fuel Station**. The Fuel Station was launched this school year and is supporting all current JWCC students & their families with perishable & non-perishable food items, toiletries, essentials, school supplies, and resource information. *At JWCC, we believe that no one should face hunger alone. Our fuel station is more than just a place where food is distributed; it's a beacon of hope, a reminder that compassion can overcome adversity, and a testament to the power of coming together to uplift one another.* **Ideas for donations:** spaghetti noodles, spaghetti sauce, microwaveable meals, taco shells and tortillas, taco seasoning, cereal, pop tarts, Chef Boyardee, laundry detergent, tampons, pads, toilet paper. There are also perishable items that students are popular with students if it is in stock: ground beef (students say they don't buy it much because of the cost,) cheese, frozen pizza, eggs, fruit and eggs. *Please see Melissa Knapp if you would like to donate monies for the purchase of perishable items and we will purchase these at Aldi for donation to the Fuel Station.*

Sunday School offerings for September of \$63.85 have been designated for the **Southeastern District - LCMS** for their **disaster response** efforts. **October** offerings will also be sent to the **SE District**. **November** offerings will be used to purchase items for the **JWCC Blazer Fuel Station** for local community college students.

CareNet is running **low on baby wipes**. If anyone wants to donate, please drop them off at church and Michele Urbon will deliver them? Thanks!

Thank you to **Seminarian Nicholas Siebert** for preaching this weekend.

The prayer of a righteous person has great power as it is working. James 5:16b Wednesday night **Pastor Troxel** was admitted to Methodist hospital in Des Moines, IA. The admitting diagnosis is 'failure to thrive'. **Please pray that the doctors and staff can build his strength** so he will be able to take the chemo infusion on Friday while in the hospital. Pastor has not been able to eat enough and drink enough due to the cancer. Pastor Troxel may be put in palliative care. Pastor and Donna's son, Christopher, arrived Thursday to help Donna and be with his dad.

As part of an Encore retreat weekend for DOXOLOGY-enrolled pastors and lay leaders **November 15-17** at the [Lindenwood Retreat Center](#) in Donaldson, Indiana, DOXOLOGY is hosting a **Hymn Festival** after the close of the retreat in the beautiful Neo-Gothic sanctuary of the retreat chapel. Dr. Paul Grime of the Fort Wayne seminary will be the organist and I will be serving as Hymn Commentator. The **Hymn Festival** will be held at **3:00 p.m. Eastern Time**. Donaldson is located just east of Valparaiso, so it will not be within range of many of your congregations and workers, but some in the eastern part of the district may be interested in driving over after their morning services. In addition, Pastors who are graduates of the DOXOLOGY classic program are always encouraged to enroll additional laity in succeeding Encore weekends, so there may be quite a number of pastors who would like to enroll their lay leaders in the entire Encore weekend and then stay after for the Hymn Festival. Details on the program for the weekend and registration information will be posted shortly at www.doxology.us Please contact by phone with any additional questions. In Christ's service, Dr. Harold L.

Senkbeil, Executive Director Emeritus; Collegium Fellow, DOXOLOGY: The Lutheran Center for Spiritual Care and Counsel, 2125 Broken Hill Rd. #2, Waukesha, WI 53188, 262-716-8575

Dollar for Missions the current project is for the **replacement of furnaces at Immanuel Lutheran Student Center, Macomb**, which is expected to cost some **\$25,000 (currently half-funded)**. The Student Center was built 55 years ago. Equipment replacement like this is important so the Gospel can continue to be proclaimed and students can go on being reached there for years into the future. <https://www.cidlcms.org/ministry-dfm-current-project.html>
